ADMIRAL AVELLAN TALKS

Head of the Russian Admiralty Says
Rojestvensky is Steaming North
to Meet Togo.

NEWS OF BATTLE MAY COME AT ANY TIME

The Chief Officer Declares the Japanese
Cannot Afford to Allow the Russians to
Reach Vladivostok Without an Engage-
ment—Says the Story of Port Arthur
Will Not Be Repeated.

St. Petersburg, May 26.—Admiral
Avellan, head of the Russian admiralty
department, confirms the Associated
Press dispatches saying Vice Admiral
Rojestvensky is steaming north to
give battle to Admiral Togo. He con-
siders it possible that news that the
two fleets have met may be received
any day.

In an interesting interview Admiral
Avellan reaffirms the official denial
of the reports that Rojestvensky has
broken down and asked to be relieved.
Avellan says Rojestvensky sent de-
tailed reports of the condition of his
own health and of the health of the
crews of his ships. The constant ten-
sion and hard work of the past few
months have been a great strain on
the admiral's health.

"Even before he left," said Avellan,
"said Rojestvensky was a sufferer from
kidney trouble but his health is no
worse. His reports breathe a spirit of
strength, resoluteness and confi-
dence and other reports show he has in-
spired his crews with the confidence
of their commander. As a matter of
fact it is not Rojestvensky but Vice
Admiral Voelkersam who has suffered
from the long stay in the tropics. The
appointment of Vice Admiral Skrydloff
at Vladivostok will in no wise affect
Rojestvensky's status. The latter's
mission as chief of the fleet is to take
it to Vladivostok. There will be an
antagonism when he gets there. The
two admirals are on excellent terms
which began long ago when Rojestven-
sky served under Birliet. Both are
iron disciplinarians and Rojestvensky
will give his superior the same loyal
obedience that he demands of his sub-
ordinates."

"Do you anticipate a sea fight soon?"
the admiral was asked. He replied:
"Certainly. The Japanese cannot af-
ford to allow Rojestvensky to reach
Vladivostok without an engagement.
I personally expect it to take place in
the near future though I admit the
admiralty knows nothing of Rojest-
vensky's strategy or plans, the em-
peror having accorded him complete
freedom of action. Possibly it is his
present purpose to seek Admiral Togo
and force a fight but it is more prob-
able that Rojestvensky is bound for
his base at Vladivostok. However, I
can say nothing definite on this point."

In response to a suggestion that
Togo might intentionally allow Rojest-
vensky to get to Vladivostok content-
ing himself with torpedo attacks while
the Russians are on their way there
and then try to bottle Rojestvensky
up in Vladivostok, Admiral Avellan
smiled and said: "The story of Port
Arthur will not be repeated. Rojest-
vensky is not the kind of man to al-
low himself to be locked up in a
port. If he goes to Vladivostok he

will not rest on his laurels but will
seek an engagement. He will try to
wrest the mastery of the sea from
Togo. There are many ways to bom-
bard one of the coast cities to force
Togo to appear in its defense."

COULD NOT STAND THE STRAIN

Suspected Murderer of Savannah, Ill. Law-
yer Committed Suicide When Ques-
tioned by Reporter.

Savannah, Ill., May 25.—Rothwell
Pulford, reputed to be the wealthiest
citizen of Savannah, committed
suicide Thursday a few moments after
being questioned regarding the whoe-
abouts of a revolver with which he
was suspected of having slain Attorney
Dan S. Berry, former leading member
of the Illinois legislature. Pulford
had denied any knowledge of the kill-
ing of Berry, but became agitated
when questioned concerning the re-
volver. The story has been widely
circulated that Berry was killed as a
result of attention paid by him to a
married woman. Pulford, on arriving
at his store, found a newspaper man
waiting for him with queries as to the
revolver. As soon as the interviewer
had left Pulford hurried home and go-
ing to the bayonet of his barn shot
himself dead.

For two months Pulford has shown
signs of mental strain. When Daniel
Berry was killed in Pulford's opera
house last Monday and the authorities
began to question Pulford it was ev-
ident to those who knew him best
that Pulford's mind was giving away.
"He is not mentally sound," said Chief
of Police Barker, two days ago. "I am
afraid he will kill himself." Similar
fear was felt by Mrs. Pulford. After
the suicide she kept reiterating wild-
ly: "I knew he'd do it; I knew he'd do it!"

Pulford's death ends the life of a
man who rose from a poor boy to the
position of one of the wealthiest men
in this section of Illinois. A tireless
worker, he accumulated money fast
and besides owning much of the most
valuable real estate of Savannah he
was the president of the Commercial
bank and the owner of the electric
light system. He lived for his business.
He was in his store daily at 7 a. m.
and seldom left it until 11 at night.
A remarkable circumstance, in con-
nection with the death of Pulford and
Berry is a report that Pulford received
his first substantial business opening
through the influence of Berry.

Railroad Man's Fatal Fall

St. Paul, Minn., May 26.—J. O. Pat-
tee, for several years master mechanic
of the Great Northern and Milwaukee
roads, is dead from the effects of a
fall down the cellar steps of his resi-
dence. Pattee recently came to St.
Paul from St. Louis where he was su-
perintendent of motive power of the
Missouri Pacific road.

St. Louis Fugitive Coming Home.

New York, May 26.—Arthur F. Mc-
Intyre, formerly the head of a grain
brokerage firm in St. Louis, who fled
from the western city while under sen-
tence of 18 months imprisonment for
fraud, was brought here on the steam-
er Teutonic which arrived Thursday
from Liverpool. McIntyre was arrested
in London on April 8.

C. R. Breckenridge, of Arkansas, has
resigned his membership in the Dawes
commission and his resignation has
been accepted by the president.

CATTLE RAISERS COMPLAIN

Interstate Commerce Commission
Hears Arguments of Texans
Against Railroads.

RATES ARE UNJUST AND EXCESSIVE

Claim is Also Made That Terminal Charge
at Chicago Discriminates Against Ship-
pers and That Rates Have Been Ad-
vanced Since 1898—Railroads Enter a
General Denial.

Washington, May 26.—The interstate
commerce commission Thursday heard
argument in the case of the Cattle
Raisers' association of Texas against
practically all of the railroads run-
ning south from Chicago, except the
Great Northern and Union Pacific.
The charge against the roads
includes the statement that the freight
rate on cattle from the cattling
states to the cattle markets is
unjust and excessive; that the termi-
nal charge at Chicago is unjust and
discriminates against shippers who
want to ship to that point as the charge
is not made at other market cities;
that the rate for feeding cattle en-
route is excessive to the extent of 50
per cent of a reasonable cost; that the
freight rates for the shipment of cattle
has been raised from six to nine per
cent per hundred pounds since 1898,
and that the present service is not as
good as the former.

In answering the charges the rail-
roads do not deny the increased rates,
but do deny that the higher rates are
unjust or excessive. To substantiate
this they review their increased expen-

OHIO REPUBLICANS.

Columbus Convention Renominates Gov.
Herrick and His Colleagues on
the State Ticket.

Columbus, O., May 26.—Temporary
Chairman Taft was on hand Thursday
ahead of the hour to which the re-
publican state convention had ad-
journd and called the delegates to
order without delay. The temporary
organization was made permanent.
Within ten minutes after convening
the report of the committee on resolu-
tions was presented by Senator Dick.
The motion of Senator Dick for the
adoption of the platform was adopted
unanimously.

Nominating speeches were then
called for. Paul Howland, of Cleve-
land, who presented the name of My-
ron T. Herrick to the state conven-
tion two years ago, again nominated
his fellow-townsmen, and his speech
roused the delegates more than any-
thing that preceded it during the day.
A storm of "noes" greeted the chair-
man's question "Are there any more
nominations?" Congressman Burton's
motion that the nomination be made
by acclamation was carried with
cheers. Gov. Herrick was then pre-
sented to the convention. Other
nominations were: Lieut. Gov. A. L.
Harris (by acclamation); Judge of the
supreme court, William C. Davis; At-
torney general Wade Ellis; state treas-
urer W. S. McKinnon; member of the
board of public works, William Kirt-
ley.

the Philippines are causing trouble,

Civil Authorities At Chicago Continue to
Control Strike Situation—Street Car
Men May Become Involved.

Chicago, May 26.—Mayor Dunne
Thursday announced that owing to the
absence of serious rioting the civil au-
thorities continue to hold control of
the situation. As long as such condi-
tions prevail, troops will not be asked
for. Possibility of the addition of
thousands of street car employees to the
ranks of the strikers developed Thurs-
day as the result of formal presenta-
tion of demands for increased wages
and complaints that the street car
company is using so-called "unfair"
coal. Commitment of President Shea
of the teamsters and other labor lead-
ers for alleged contempt of court was
formally asked before Federal Judge
Kohlsaat Thursday. The judge, how-
ever, decided to hear arguments on
both sides before entering any order.
The strike of teamsters employed by
lumber dealers spread more slowly
than had been expected.

Linevitch Reports Another Victory.

St. Petersburg, May 26.—Gen. Line-
vitch in a despatch to Emperor Nich-
olas dated from the front May 24 re-
ports that the Russians May 22, at-
tacked the village of Nantchenzy and
the Japanese on the heights on the
left bank of the Kao river southward
of Chandaoh. The Japanese aban-
doned Nantchenzy after the loss of
several score in killed or wounded and
were dislodged from a village in front
of the position southward of Chan-
daoh.

Board Has Jurisdiction.

Topeka, Kan., May 26.—The attorney
for the state board of railroad com-
missioners rendered an opinion that the
board has jurisdiction over the Pull-
man company in Kansas. The opinion
will be followed by the board and the
Pullman rates in the state will be
regulated. It is expected that the Pull-
man company will resist the orders
of the board, and then the law creating
the railroad board will be tested in
the courts. Complaint has been filed
before the board that the Pullman
rates in Kansas are unjust and dis-
criminative.

Mail Clerk Killed in Wreck.

Hutchinson, Kan., May 26.—Santa
Fe passenger train No. 558 collided
with a bunch of freight cars here late
Wednesday afternoon on account of an
open switch. C. D. Wolff, of Kansas
City, the mail clerk, received injuries
from which he died in a hospital here.
Engineer John Snyder and Fireman
A. C. Vaughn jumped and received in-
juries which are probably fatal. Five
others were slightly hurt.

Don't Want Rockefeller's Money.

Toronto, Kan., May 26.—The mem-
bers of the Toronto Baptist church
have withdrawn all appeals to John D.
Rockefeller to help in the erection of
their church, which was destroyed by
the tornado. Their action was the
public sentiment of the county and oil
fields.

Slump in May Corn.

Chicago, May 26.—After touching 68c,
a new high record mark for last year's
crop, corn for May delivery broke 8c
a bushel here Thursday. The slump was
due to selling by smaller longs who were
anxious to secure tempting profits oc-
curring from efforts of several promi-
nent traders to "corner" the market.

They will be given allotments regardless of their desires in the matter and placed in possession of the same.

Damages From Initiation.

Shawnee, Okla., May 26.—There is now being prepared for filing in the Oklahoma supreme court, briefs in a civil case which was one of the hardest fought and most peculiar in the history of Oklahoma courts. At the April term in 1904, Edward H. Kuhl, as plaintiff, sued the Supreme Knights and Ladies and others for \$40,000 damages, for injuries alleged to have been received during an initiation in that order in Shawnee, causing permanent loss and damage to the plaintiff, who was a young painter, but declared he had since been unable to work. The case has been tried twice, the jury remaining out 90 hours in the first and resulted in a hung jury. The second trial resulted in favor of the defense.

MINISTER IN THE TOILS

Charged With Obtaining Money Under False Pretenses.

J. J. Mastin, who claims to be a Baptist minister and a Masonic lecturer, was arrested Thursday evening by Deputy Marshal Chapman upon the charge of obtaining money under false pretenses.

Mastin, it seems has been writing accident insurance policies at a number of places, among them being Tupelo, Jesse, Owl and Stonewall and accepting advance payments. The policies were to be sent to his company at St. Louis for the proper signatures, which on the face of it looked all right to the insured, but when after a reasonable length of time the policies failed to make their appearance, inquiry was made of the St. Louis company the cause of their failing to show up.

A letter from the company was received in due time by Price Statler, postmaster at Jesse which stated that the Rev. J. J. Mastin was not in their employ and had no authority to write insurance or collect money for them and that he was an impostor so far as their business relations were concerned, in fact they knew nothing of him at all.

The reverend gentleman, it seems, was also receiving donations for the Owl cyclone sufferers and at a lecture at Konawa last Tuesday evening when his audience did not come through as liberally as the sky pilot wished, he berated them in an unmerciful manner. Whether the Owl

people ever received his collections we are unable to say.

When brought before the United States authorities last evening and noticing the insignia of the Masonic order on one of the marshals, he made a strong plea in its behalf, but when he was told that in taking the oath of office the marshal had not noticed anything about anyone being shown favoritism just because he belonged to a certain order, the minister became reconciled to his situation.

He was escorted this morning to Ardmore by Deputy Cummings, where he will have his examining trial before Judge Robnett.

Ignores Order From Hitchcock.

South McAlester, I. T., May 26.—Ignoring the orders issued by Secretary Hitchcock of the Interior department, that all deeds now in his hands be returned to the department for approval, Governor Green McCurtain of the Choctaw Nation Wednesday resumed the distribution of patents to the individual Choctaw allottees at Atoka. This action will probably invite issuance of a restraining order, as such a course was intimated by Secretary Hitchcock when he warned the governor to desist in delivery of patents. The tribal officers are courting a legal hearing of the case.

Foundry Sand Found.

Tulsa, I. T., May 26.—In a search for sand suitable to take rough castings, local parties have found a deposit of valuable foundry sand, there being apparently unlimited quantities of the material at spots along the Arkansas river. In the past, all such sand has been shipped from points east of the Mississippi river. The expenses of doing foundry work has been materially reduced as a result of the discovery.

Loan Company Incorporated.

South McAlester, I. T., May 26.—The Ada Savings and Loan Company has been incorporated here. The stockholders are: P. T. Pegues, Tom Hope, Frank Jones, John W. Beard, O. E. Cannon, T. J. Chambliss and S. W. Hill. The capital stock authorized is \$50,000, of which \$8,600 has been subscribed.

A Positive Necessity.

Having to lay upon my bed for 14 days from a severely bruised leg, I only found relief when I used a bottle of Ballard's Snow Liniment. I can cheerfully recommend it as the best medicine for bruises ever sent to the afflicted. It has now become a positive necessity upon myself.

TERRITORY BANKERS.

Many Attend Ninth Annual Convention at Muskogee.

Muskogee, I. T., May 26.—The Oklahoma-Indian Territory Bankers' Association met in ninth annual convention here Thursday, about 250 visitors from New York, Chicago, St. Louis, Kansas City, Texas and Arkansas being in attendance.

Mayor F. B. Fite and President P. C. Hopkins of the Muskogee Commercial Club delivered addresses of welcome which were responded to by J. C. Hughes of Oklahoma City.

Following these addresses President Frank Craig of the association made his annual address. He showed that only eight States, Massachusetts, New York, Pennsylvania, Ohio, Illinois, Minnesota, Iowa and Texas, had more National banks than the two Territories.

He also said there had been only five bank failures in the two Territories in the last year. There are 95 National banks in Oklahoma and 135 in Indian Territory; 25 Territorial banks in Oklahoma and 136 in the Territory.

The meeting is the most successful in point of numbers in the history of the organization.

Bird S. McGuire, Delegate to Congress from Oklahoma, addressed the bankers' today.

Terrific Race With Death.

"Death was fast approaching," writes Ralph F. Fernandez, Tampa, Fla., describing his fearful race with death, as a result of liver trouble and heart disease, which had robbed me of sleep and all interest in life. I had tried many different doctors and several medicines, but got no benefit, until I began to use Electric Bitters. So wonderful was their effect that in three days I was like a new man, and today I am cured of all my troubles." Guaranteed at Clark's and Dr. Holley's drug store; price 50c.

Warning.

You cannot have good health unless your kidneys are sound, for the kidneys filter the blood of impurities which otherwise act as irritating poisons and break down the delicate organs of the body and cause serious trouble. If you have kidney or bladder trouble and do not use Foley's Kidney Cure, you will have only yourself to blame for results, as it positively cures all forms of kidney and bladder diseases. Sold by Clark Drug Co., and Mason Drug Co.

A Creeping Death.

Blood poison creeps up towards the heart, causing death. J. E. Stearns, Belle Plaine, Minn., writes that a friend dreadfully injured his hand, which swelled up like blood poisoning. Bucklen's Arnica Salve drew out the poison, healed the wound, and saved his life. Best in the world for burns and sores. 25c at Clark's and Holley's drug stores.

You can apply ManZan inside, right where the pain is. It is put up in collapsible tubes with nozzle attachment for introducing it. ManZan stops pain instantly and cures all kinds of blind, bleeding itching and protruding piles. Clark Drug Co.

In the United States Court

In the Indian Territory, Southern Judicial District at Ada.

In the matter of

The application of the incorporated town of Ada for the annexation of contiguous territory.

Now comes the incorporated town of Ada, a municipal corporation duly incorporated under the laws of the state of Arkansas, put in force in the Indian Territory, and would respectfully show to the Court that the corporate limits of said town include an area of five hundred and fifty-nine and ninety one hundredths acres of land, a plat of which is filed herewith and marked exhibit "A" and made a part of this petition. The said map filed showing the original corporate limits is indicated thus— and the lines indicating the territory proposed to be annexed are marked making a total number of acres proposed to be annexed six hundred and thirty. That all that portion of said map which is proposed to be annexed to the said town of Ada is settled and occupied by citizens of said town as residences and that a number of said parties are business men of said town.

That it would be for the best interests of the people who reside in said town and also for the best interest of the people who live in the part proposed to be annexed that said territory be annexed to said town and the incorporate limits be extended around the said territory and inclose the same in the incorporate limits.

That the territory proposed to be annexed is known and described as follows, to-wit:

The west one-half of the southwest one-fourth of the northwest one-fourth of section thirty-three township four north, range six east, twenty acres; and the west half of the northwest one-fourth of the southwest one-fourth of section thirty-three, twenty acres; and the west one-half of the south west one-fourth of the southwest one-fourth of section thirty-three, twenty acres; the east one-half of the east one-half of section thirty-three, one hundred and sixty acres; the southeast one-fourth of the northeast one-fourth of section thirty-two, forty acres; the east half of the southeast one-fourth of the southeast one-fourth of section thirty-two, twenty acres; the northeast one-fourth of the southeast one-fourth of section thirty-two, twenty acres; all in township four, north, range six east of the Indian base and meridian. The northeast one-fourth of the northeast one-fourth of the northeast one-fourth of section five, ten acres; the west one-half of the northwest one-fourth of section four; eighty acres; the southeast one-fourth of the northwest one-fourth of section four, forty acres; the south one-half of the northeast one-fourth of the northwest one-fourth of section four twenty acres; the northeast one-fourth of section four, one hundred and sixty acres; all in township three north range six east of the Indian base and meridian, containing in all six hundred and thirty acres.

That said question of annexation was submitted to the qualified voters of the town of Ada on the 4th day of April, 1905, and that a large majority of said voters declared in favor of said annexation, which is evidenced by a certificate of said election filed herewith and marked exhibit "B" and made a part of this petition.

That said election was submitted to the qualified voters of the said town thirty days before said election by publication in the Ada News a newspaper published in said town.

Wherefore the premises considered your petitioner the incorporated town of Ada Indian Territory prays that said cause be set down for hearing at some date fixed by the Court, and that on a hearing thereof the said territory be annexed to the incorporated town of Ada as described herein, and that the Court make further orders in the premises as may seem proper.

Attorney for petitioner.

B. C. King, on oath states that he is attorney for the petitioner in the above styled matter and that the allegations and statements contained herein are true as he verily believes.

MAY IMPEACH THE MAYOR

Republican "Organization" Leaders at Philadelphia Talk of Ousting Mr. Weaver.

MALFEASANCE IN OFFICE THE GROUNDS

Leaders Claim to Have Proof to Sustain the Charges—Mayor Takes Foreboding Possession of the Office of Directors Smyth and Costello in Deference of Court's Orders.

Philadelphia, May 26.—It was rumored Thursday afternoon that the Republican "organization" leaders intend to impeach Mayor Weaver. With this end in view, it is said, a special meeting of select council will be called for Friday for this purpose. In the event of the impeachment of the Mayor, President of Select Council Harry C. Ransley, who is the "organization" candidate for Sheriff, will act as mayor for 90 days, meanwhile a special election for mayor will be held and a new mayor chosen for the regular four year term. Malfeasance in office is the ground on which the impeachment proceedings will be based. The "organization" leaders claim they have the proof to sustain the charges.

Philadelphia, May 26.—Mayor Weaver has taken forcible possession of the offices of director of public safety and director of public works. Neither Director Smyth nor Director Costello offered serious resistance. Four detectives are now on guard at the offices.

Accompanied by his counsel and four detectives Mayor Weaver went to the office of Director of Public Safety Smyth. He informed that official that he had been dismissed and that his presence in the office was trespass. Director Smyth withdrew from the office. The mayor placed two detectives in charge and then went to the office of Director of Public Works Costello, when the same ceremony was repeated. Mr. Costello also quit his office and detectives were also placed in charge.

Occasionally a patrol of gendarmes dispersed the crowds which, however, were immediately permitted to gather again. There has been considerable bloodshed and many injured students have been taken to the hospitals. Fourteen of those wounded Wednesday night are reported to be dying.

OIL REFINERY CASE.

Attorney General Coleman Finishes Brief—Holds Law Valid and Asks That Bonds be Issued.

Topeka, Kan., May 26.—C. C. Coleman, attorney general of Kansas, finished his brief in the oil refinery case Wednesday. In it he contends that the law establishing the refinery is valid and that the bonds to pay for the plant should be issued by T. T. Kelly, state treasurer, and E. B. Jewett, warden of the penitentiary. The case grew out of the refusal of the state treasurer and the warden to issue the bonds out of the proceeds of which the refinery was to be established. The attorney general has asked that the supreme court compel them to comply with the provisions of the law.
